

Sjöbergs Elite 2000 + SM04

The Sjöbergs Elite 2000 workbench is both heavier and smarter than any other workbench on the market. Developed and made by professionals for professionals. Solid beech construction, oil-treated. Together with our smart accessories, the heavy Elite workbench makes the perfect workstation. The position of the front vise can be changed to suit both right- and left-handed users.

Bench top in solid beech with double rows of dog holes.

4 steel bench dogs included.
